

Joedan Manufacturing UK Ltd.

Does your existing supplier offer you all this and more?

If you currently buy-in any fabricated aluminium door and window products, or are looking for a dedicated, reliable, flexible and experienced trade supplier, let Joedan Manufacturing work in partnership with you.

- A one-stop shop for all your aluminium door and window requirements.
- Unlike other trade manufacturers, we design, extrude, treat and fabricate, relying less on external suppliers resulting in a better service and faster lead times even on coloured products.

- Unrivalled Customer Service and Support from a dedicated team of Professionals with many years sales and technical experience in trade supply. We know and understand the Trade Supply Market.
- Ultra-Modern showrooms in Gloucestershire and South East London, showcasing our entire product range with excellent facilities, meeting and presentation areas available for your use.

- Flexible delivery options with a fleet of plain delivery vehicles with delivery to site or to your requirements.
- The latest Estimating software enabling ultra-fast turnaround of quotations.
- Joedan offer a range of products exclusive to us and unique to the marketplace giving you a significant competitive edge. Tested and proven to industry standards.
- Established over 25 years with the flexibility to meet the needs of the trade irrespective of contract value or size.
- Ultra-modern production facilities with the very latest technologically advanced machinery ensuring top quality products, supplied to you consistently and on time.

- Quality Samples with wide market appeal available free of charge, Technical, Fabrication and Installation Manuals, Quality Marketing Literature and CD's all with over printing facilities available and CAD Drawing Service for bespoke work.
